Sea Green Capital Corp is pleased to announce that it has completed the staking of additional land to expand the “Zeus,” claims in the Yukon White Gold District. The original Zeus property of 56 claims (1,170.5 hectares) has been expanded by an additional 106 claims (~2215.58 hectares.) The new “Zeus,” land position (162 claims ~ 3305 hectares) is almost triple the size of the original land package and continues to demonstrate historically high soil anomalies and interesting geological features in the heart of the White Gold district.

Sea Green Capital Corp. looks forward to commencing an extensive exploration program on the property in spring 2011

Further information on the “Zeus,” property and updated maps of the claims will be posted to the company's website at www.seagreencapital.com
