**Sea Green Capital (SGS-V)** Management is proud to announce that the company has engaged Mr. Bruce W. Mackie, M.Sc., P.Geol to act as our primary consulting Geologist. Mr. Mackie will help design exploration programs and evaluate projects on an on-going basis for **Sea Green Capital**.

Mr. Mackie is a professional geologist, and received his B.Sc. degree in geology and chemistry from Carleton University and his M.Sc. in geology from the University of Manitoba.

He has more than 30 years of mining industry experience in both Canada and abroad. He has a proven exploration record, having managed several successful projects in uranium, gold and base metals in senior positions with Noranda, Hemlo Gold and North American Palladium. (TSX:PDL"B) (AMEX:PAL) (TSX:PDL)

CEO Alexander MacKay states "Mr Mackie overseeing the technical program(s) is a great step forward for our geological team in preparation for our upcoming exploration efforts."
